ASBESTOS

<u>THE GLOBAL ASBESTOS CONGRESS —</u> <u>PAST, PRESENT AND FUTURE</u>

LETTER FROM THE PRESIDENT

## Dear Member

The Global Asbestos Congress took place in Osasco, S o Paulo, Brazil from September 17-20, 2000. More than four

At the end of November it is planned that hundred delegates from thirty-two will be a full Board meeting. One of the ountries participated in events which topics will be of course the conference included plenary sessions, workshops and year which will be in Munich. Might I remnd tables, a photographic exhibition, you of the date which is 18 and 19 May 200 Mideo screenings and a musical tribute to the asbestos victims. The international

It promises to be an exceptional confersing ificance of this conference was and there is already an unusual amountreinforced by the participation of the interest. We are likely to concentrate International Labour Organisation and other on medical negligence and damages arising ternational and national trade unions, out of road traffic accidents and I hoperictime support groups and occupational able to circulate a detailed programme and tenvironmental health associations. next bulletin.

Bringing together leading international We are pleased with the progress that is **debing** os experts from many subject disciplines made with regard to membership. Itand professions produced interesting however an endless task and at the same dimecussions from which emerged plans for new as appreciating your efforts I would askipatiatives: continue to think of appropriate new members and encourage them **make** contact with • the founding of a quarterly Latin Wolfgang or to give Wolfgang their American journal on asbestos issues;
